An Estimate of Southern Senators

The Washington Post, perhaps, reflects the conservative non-partisan sentiment of the country, as revealed at Washington better than any other newspaper in the country. It is not partisan, but it is fair to the South, its estimate of Alabama's venerable Senator who died last Saturday will, therefore be read with appreciation throughout this section, and not the less that it inhis great colleague who preceded primary voting and the result dis-

him. Dealing with Senator Pettus closed furnished food for speculation in some quarters, particularly "The senate and the country will the State for different offices. On miss the simple, wise, and quaint the face of the returns the candiold senator who has just passed dates for governor polled the highaway at the age of eighty-six years, est number of votes, which was The senate will not be the same 121,020, and most men were under The proposition to issue city when it reconvenes, with two ven- the impression that the total vote Capital, safe majority.
